

## Sponsor Participation

**Thank you for your liaison program participation.**

In an effort to improve documentation of attendance, please advise those attending programs from your organization to utilize our online registration process. This should be done for all programs they plan to attend. This will also assist in providing accurate documentation of your company's attendance and expedite the sign in process.

**Register** online at [rsvp.pdigm.com](https://rsvp.pdigm.com)

**1.** Click *"I don't have a WebCode"* **2.** Select *"Pipeline Operator"* and your *"State"* **3.** Follow the prompts to RSVP

At each program sponsored, there will be an opportunity for sponsors to meet with stakeholders.

**Please be prepared to participate in the program exercise and share the following with your stakeholders:**

- Types of pipeline systems and products in your area
- Pipeline locations, sizes, and operating pressures
- Average emergency response time / response type
- Emergency response plan availability
- Operator contact information

To view your state schedule online, please visit [pipelinesafetyinfo.com/state\\_sites](https://pipelinesafetyinfo.com/state_sites). For a list of counties invited to a program, click *"View All Details"* on the meeting selection page.
